TUITION ASSISTANCE PROGRAM – 2025/26

As an alternative to the discounts offered through the Tuition Grid, OJCS continues to offer a confidential Tuition Assistance Program to provide reduced tuition to eligible families.

The process for requesting tuition assistance is electronic and applications can be completed through [Apple Financial Services](#), an organization that has been providing financial assistance analysis to private schools in Canada since 1993.

Applications for tuition assistance can be completed at www.applefinancialservices.ca. Instructions can be found on the website and in the attached FAQ.

The fee for applying through Apple Financial is \$110. Under specific circumstances, this fee can be waived at the discretion of the Head of School.

Completed applications must be submitted to Apple Financial by **March 3, 2025**. All applications and the necessary supporting information must be submitted by this deadline for Apple Financial to complete their financial analysis. This is used by the Tuition Assistance Committee when they meet in early April 2025 to make their recommendations. Should an application not be completed by the deadline, there is the potential that it will not be included in the allocation of the available tuition assistance funding by the Tuition Assistance Committee.

Your child/ren must be registered with the school for the 2025/26 school year prior to your Tuition Assistance Application being accepted for consideration and any outstanding account balances must be paid before Tuition Assistance can be approved.

Once the applications are completed and processed, Apple Financial provides a recommendation to the school's confidential Tuition Assistance Committee. This recommendation is reviewed by the Tuition Assistance Committee, which does not include OJCS parents, staff, teachers, or board members. Committee Members must agree to a confidentiality agreement. Tuition assistance information is not shared with teachers or the Board of Directors.

For additional information about the process, please contact the Head of School at (613) 722-0020. Ext.

7. When will the Tuition Assistance Committee render their decision?

The Tuition Assistance Committee will review all applications received before the deadline of March 3, 2025 and will endeavour to communicate their decision to applicants by April 25, 2025. Please note that this date may change depending on the number of applications received, as the Committee reviews applications in batches at each meeting and the review process may stretch over a number of meetings. Please also note that beginning in 2025-2026 decisions will be communicated to applicants once all the applications received before the deadline have been processed.
